description:

In the highly sought-after residential area of San Agustín, just a few minutes from Palma's city centre and the Cala Nova marina, this exclusive new-build development with resort-style flair is taking shape, comprising only five luxurious residential units – two spacious garden apartments with private gardens and three elegant duplex penthouses with private rooftop terraces and breathtaking sea views.

It is an ideal choice for those seeking privacy, style and the highest level of living comfort close to the sea.

Set within a tropical garden landscape and enjoying stunning views of the Mediterranean, the project combines Mediterranean lightness with timeless elegance. High-quality natural materials such as stone and wood, bespoke designer kitchens, floor-to-ceiling sliding doors and exquisite marble floors create a refined living atmosphere that perfectly blends tranquillity and luxury.

This elegant garden suite offers a living area of approx. 144 sqm, featuring an open-plan living and dining area with gas fireplace and three bedrooms, each with its own en-suite bathroom.

The outdoor space provides several highlights: a rear-facing terrace of approx. 10 sqm as well as a generous south-facing terrace of approx. 45 sqm with an adjoining private garden of around 170 sqm. This combination creates an exceptional living experience with a seamless transition between indoor and outdoor areas – ideal for fully enjoying the Mediterranean lifestyle.

The garden suite includes two underground parking spaces and a storage room.

Underfloor heating, central air conditioning via an air-source heat pump, smart home technology, a communal swimming pool with spacious sun terrace, lush landscaped gardens and a fully equipped, air-conditioned fitness room complete this exceptional offering.

Completion is scheduled for the end of 2027.
