localisation & environnement:

Cala Romantica

A bay that lives up to its name. Idyllically situated with a brilliant white sandy beach, turquoise shimmering crystal clear water and embedded in forested rocks. Pictures that almost reflect Caribbean flair.

The beautiful town with many plant-lined streets has small manageable resorts and development of private villas. A few restaurants and bars hold Mediterranean delicacies and refreshments for their guests.

The location is ideal between the charming small port towns of Porto Cristo and Portocolom. Typical Mallorcan places that invite you to store with their small stores or eat in the many cozy restaurants on the harbor promenades.
