description:

This inviting bungalow-style villa is located between Capdepera and Cala Ratjada—peaceful, surrounded by tall pine trees, yet excellently connected. The property offers maximum privacy, a well-maintained garden, and a kidney-shaped private pool (21 sqm). Through the trees, you can glimpse the sea from time to time. The large, partially covered veranda provides views of the greenery and even partial sea views - an ideal place to relax.

The wheelchair-accessible villa was renovated in 2015 and offers approximately 100 sqm of living space. Inside, you will find a bright, open living and dining area with a fireplace and large glass front that can be widely opened. The compact kitchen is fully equipped and blends harmoniously into the space. Two almost identical bedrooms, each with a double bed and its own en-suite bathroom with a shower, provide ideal comfort. Air conditioning in the bedrooms and a pellet stove for the winter months ensure pleasant temperatures year-round.

Amenities include Wi-Fi, German television, dishwasher, washing machine, and dryer - everything needed for a longer stay. The outdoor area impresses with its well-kept lawn, Mediterranean plants, and the 24 sqm private pool, perfect for cooling off and relaxing.

The location is a special highlight. Cala Ratjada - with its harbor, restaurants, and shops - is just a 5 minute drive away. Capdepera and the natural beach Cala Agulla can be reached in about 15 minutes on foot. Golf courses, weekly markets, and numerous bathing coves are also in the immediate vicinity.

A charming, well-equipped villa in a top location - ideal for settling in, living, and enjoying ... also perfect for a workation.
