description:

This romantic natural-stone finca stands on a plot of approx. 22,407 sqm, nestling in the midst of the Mediterranean landscape between Santanyi and Campos, and has a valid touristic rental licence for up to 6 people. The lively town of Santanyi and the authentic Mallorcan village of Campos, and diverse turquoise-blue bays are only a few minutes drive away.

The finca was recently renovated whilst paying great attention to detail, and the result is a real gem of a property surrounded by authentic Mallorcan countryside which is accessed via a long, tree-lined driveway. Upon entry on the ground floor a pleasant living room with fireplace greets, with a wooden archway leading into the adjoining dining area with fully-equipped fitted kitchen. From the living area there is direct access to a large, inviting covered terrace providing welcome shade during the hotter months of the year. A guest WC is also located on this level.

A staircase leads to the first floor where traditional details such as the arched ceiling emphasise the Mallorcan character of the house. On this floor there are 3 double bedrooms and 2 bathrooms, one of which is en suite. From two of the bedrooms magnificent views as far as Campos and the Tramuntana mountains can be enjoyed.

The external area of the finca impresses with diverse terraces providing relaxing retreats, with a large pool inviting to refreshing time during the hotter months, and numerous fruit trees including oranges and figs providing a true Mediterranean flair. This ideal package is completed by a compact, one-bedroom guest casita.

Further features include air conditioning, infrared heating, and a carport.
