localisation & environnement:

The pristine village of Cas Concos together with the villages of S'Alquería Blanca and Santanyí create the famous triangle called „Hill of Hamburg“, a scenic region, where initially artists and patrons seeking for calm fulfilled their dream of a life in the sun. Cas Concos is well known for craftsmanship and the galleries. There are also shops and restaurants for the daily needs.

The beautiful market town of Santanyí with restaurants and boutiques as well as numerous small bays in the southeast of the island are only an approx. 15-drive away.
