This charming residence is located in the idyllic mountain village of Galilea, in the heart of the Tramuntana Mountains. The sauna, with its panoramic views over the surrounding landscape, provides the perfect place to unwind. The expansive plot includes an orchard, olive trees, and a barbecue area with a pizza oven.

Additional features include underfloor heating, air conditioning, a solar energy system, an electric car charging point, and a large carport for multiple vehicles. High-speed fiber-optic internet is available.
