description:

This property is situated close to the centre of Soller, and consists of 3 levels, each with an area of 200 sqm.

It is currently undergoing a complete core-renovation/restoration. The project foresees 5 bedrooms with 5 en-suite bathrooms, kitchen, living/dining area, bodega, games room, technology room, and a fantastic terrace from where breathtaking views of the mountains and the harbour of Soller can be enjoyed.

Also on the 4.000 sqm plot will be a pool and a large parking area for 8 vehicles.

localisation & environnement:

Sóller is an attractive village on the northwest coast of Mallorca, famous for its big fields of orange and lemon groves. It is situated in a solitary valley, which in past times was very difficult to reach overland because of the terrain. From the sea there was an active trade to the Port de Sóller. The golden valley, as it is called, is well worth a visit especially on the local railway.
