localisation & environnement:

Genova is a picturesque, authentic mountain village surrounded by lovely nature and with views of the sea and of Palma. This Palma suburb is situated 5 km west of the town, close to the motorway Palma-Andratx with easy access to the centre of town. Genova is the perfect place for those wishing to live in natural surroundings but close to Palma. It is well-known for its restaurants and many local people come here from Palma to enjoy authentic and good Spanish cooking. The beaches and the bays of the south-west of Mallorca are less than 10 minutes away by car and the Coves de Genova, natural dripstone caves which are open to the public, are well worth a visit.
