description:

Nestled in the picturesque village of Bugarra this charmingly-renovated village house awaits, impressing with its distinctive American touch.

It is accessed on the ground floor via a welcoming entrance area leading into the generous living space which combines seamlessly with the dining area with direct access to a patio. A second dining room with a cosy fireplace provides a very pleasant ambiance, and the modern kitchen with a separate dining area and adjoining pantry cleverly combines functionality with style. A highlight on this floor is a bedroom with its own bathroom, and there is also a further guest bedroom.

On the upper floor is the spacious master bedroom, a versatile day-room, and a bathroom with shower.

In the external area a secluded patio offers a haven of relaxation, while the refreshing plunge pool provides a cooling respite on hot days with open and covered terraces presenting the ideal places to relax and unwind.

Great attention was paid to the equipment of the property, which includes air conditioning ensuring comfortable temperatures in the main living area and in one of the bedrooms all year round, together with a fireplace offering a cosy atmosphere during the colder months.

Stylish, darkly-finished exposed-concrete floors provide a real eye-catcher.

The house is offered for rent fully-furnished, including high-quality antiques which accentuate the character of the home and form an integral part of its charm.

Although the house has a touristic rental license, holiday letting is not permitted, and additionally pets are not allowed.

The property is available for immediate occupation and is subject to valid urban rental laws.

Please do not hesitate to contact us for further information or a private viewing, and a virtual tour of this jewel of a property in Bugarra can also be supplied if required.

localisation & environnement:

The North of Mallorca also offers a wide selection of charming areas, particularly inland. It has many pretty, yet typical small Mallorcan villages such as Campanet, Buger, Muro or Santa Margarita, which each offer a first hand experience of authentic island life and a taste of the original culture of this enchanting Mediterranean island as well as boasting their own unique characters. There are several alternatives to Pollensa or Alcudia if you want to look for a romantic town house or a secluded country house that's close to the beach. Especially Campanet and Buger each with immediate access to the 2006 created motorway between Palma-Alcudia, provide a further advantage in that it only takes 25 minutes to reach Palma by car.
