localisation & environnement:

At the southern end of the bay of Alcudia is the urbanisation of Son Serra de Marina, which is also especially popular for kite surfing with its natural beach. It offers both a good mix of apartments and townhouses along a very long shoreline and also in the upper part of the resort, there is a generous villa offering. Especially among the German-speaking customers, but also internationally, and for sports fans, one of the most prominent residents of the area, Willi Bogner, is a well-known household name.
