description:

This enchanting building plot impresses with its superb location near Cas Concos.

It offers fantastic panoramic views as far as the Tramuntana mountains, with views of the San Salvador Monastery to the east. Gently sloping, the plot holds a small wooded area together with a collection of apricot trees, and there is also a small cottage standing the property.

At present no construction project exists. The plot offers absolute tranquility due to its size and secluded location, and since it is situated in a rural area (zona de finca), there are no neighbours in the immediate vicinity. Its access road is paved up to the last 200 m.

For those seeking peace and tranquility this beautiful and uniqueness location can be highly recommended.
