description:

Unique building plot with approved basic project in an exclusive location on the northeast coast of Mallorca, in the prestigious area of 'Cala Provençals' has a plot size of approx. 855 sqm.

This project allows the construction of a luxurious hillside villa with fantastic sea views. With a living and usable area of approx. 502 sqm on 3 floors, the villa offers space for spacious living and dining areas, an open kitchen and 4 bedrooms with respective bathrooms. There is also room for individual adaptations and extensions.

The current project includes an indoor pool and a fitness room, whereby your personal ideas can be taken into account.

A private pool with a spacious sun terrace and a double garage complete this offer.

The sea is just a few minutes' walk away, and stores and restaurants are within easy walking distance. The town centers of Cala Ratjada or Capdepera are only about 3 km away.

localisation & environnement:

The town of Font de Sa Cala sits nestled just below Cala Ratjada on the northeastern coast of the island of Mallorca. Renowned for its tranquility and beauty, it's a favored retreat, especially among families with children. The atmosphere is relaxed and welcoming, offering the perfect blend of relaxation and activities.

Along the approximately 200-meter-long sandy beach, visitors can indulge in various water sports or simply bask in the sun and enjoy the crystal-clear waters of the Mediterranean. Along the coastline, a variety of restaurants and bars offer a delightful selection of local cuisine and drinks, perfect for a leisurely day at the beach or a romantic evening watching the sunset.
