description:

This Mediterranean villa with sea views is situated on a quiet street in Costa d'en Blanes, and is particularly characterised by its impressive Mediterranean garden. In the garden there is a large saltwater pool, a comfortable lounge area, and a covered summer kitchen with a barbecue and wood-fired oven.

Its living area of 461 sqm is spread over 2 floors and has an additional terrace area of approx. 105 sqm. Distributed over the ground floor is a living area with fireplace, a dining area with access to the sea-view terrace, a fully equipped kitchen, a bedroom, and a bathroom.

There is also an additional, independent guest apartment with its own kitchen, an office, a living and sleeping area with private bathroom, and a covered terrace.

On the upper floor of the house are 3 bedrooms, 2 of which offer breathtaking sea views, each with its own en-suite bathroom, and there is also a further sea-view terrace.

Another major advantage of this house is its touristic rental license which, together with some modernization would make this lovely property extremely attractive to investors.
