description:

This modern newly built villa is located in the picturesque coastal village of Cala Llombards, just a few minutes' walk from the beautiful turquoise swimming cove. Its contemporary architecture combines clean lines with Mediterranean elements, creating a harmonious living concept with a high level of comfort across 2 floors.

The ground floor features a spacious open plan living and dining area with an elegant fireplace and an integrated kitchen. Large windows allow plenty of natural light and create a seamless connection to the covered terrace. This level also includes a bedroom, a modern bathroom and a practical utility room.

The upper floor offers 2 further bedrooms, each with its own en suite bathroom and direct access to a private terrace. The well designed layout provides privacy and comfort for both residents and guests.

The landscaped garden with its generous swimming pool invites you to relax and cool off on warm days. A particular highlight is the rooftop terrace, which offers panoramic views across the rooftops of Cala Llombards towards the sea and Santanyí. It is the perfect place to unwind at the end of the day.

High quality features include air conditioning, underfloor heating and modern home technology, ensuring a pleasant indoor climate throughout the year.

The combination of contemporary architecture, a functional layout and attractive outdoor spaces makes this newly built villa an inviting home. Thanks to its location close to the beach, the property is ideal as a permanent residence or a holiday home in the southeast of Mallorca.
